Terms of service Gods Of Chatting bot.

Definitions:

Us, We, I, i, owner, developer: The original developer of the Gods Of Chatting bot also known as Senpai_Desi#4108

the product, The Product, THE PRODUCT, bot, Bot, BOT: The discord application under the name of GodsOfChatting bot and It's API connection, bot profile.

You, you, YOU, The User, the user, THE USER, User, USER, user: Anyone who uses the product with any form outside of development ways.

This license is subjected to change. All users will be notified about said change 7 days prior to the changes taking effect. Continuation of usage without reading the terms means you agree to these terms. If you do not agree to these terms then stop using the product.

Liability:

The product is provided "as is" with no warranties of any kind. We do not warrant that the product will act error-free or functioning without interruptions. Furthermore we will not be liable for any content in the product such as data, images or functions.

We shall not be liable for any data loss, content loss, or any direct and indirect damages by a possible delay or loss of data. Furthermore we are also not liable for any harm or damage caused through malicious usage (such as viruses etc.) or through incorrect use of the product and it's external services.

Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusive liability for certain types of damages. Accordingly some of the above disclaimers and liabilities may not apply to you. We may not, as a matter of applicable law, disclaim any warranties or limit its liability as said forth herein. The scope of such warranty and the extent of liability of us shall be the minimum permitted under such applicable law.

Termination of the product and its services:

We reserve the right to discontinue or terminate the product and its services by any means without being obligated to provide refunds, or any form of benefits or external compensation.

Jurisdiction, choice of law and forum:

If a dispute arises between you and us we strongly encourage you to contact us by sending an email to [Us](#). To seek a resolution.

To the extent permitted by law, all disputes between you and us shall be governed by the laws of The Netherlands (Holland), without regard to conflict of law provisions. You agree that any claim or dispute you may have against us must be resolved exclusively by a court located in Amsterdam, The Netherlands.

YOU AGREE THAT YOU MAY BRING CLAIMS AGAINST US ONLY IN YOUR INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.

Developer and coding terms:

We will not add any malicious or otherwise unwanted code or functions to the product or its services. However we are not liable in case of any breach or malicious intervention in external services. We will add functions where either deemed necessary or wanted by you. Excluding the aforementioned malicious functions. All code will be open source and can be viewed at [The github repository](#).

Terms of service by 3rd party services:

We agree on the terms of services provided by external services such as Discord's API Terms of service.

You also agree on these terms and agree to not use any of the services in malicious or negative impacting ways. The current external services are:

Discord

Discord API and their endpoints
